NEW! NEW! NEW!

EVERGREEN

A new style in our ever-popular Gem Tree series! These have silver coloured wire with drilled stones individually wired to the branch so they can never fall off! The tree trunks are encased in Polyester resin providing a different look and rigidity; and the bases are wood and covered with gemstone chips in the same stone as those on the tree foliage. Height (leaves): 6"(160); 7"(300); 9"(500).

MIXED TUMBLING ROUGH CRUSHED AND SIZED. OVER 15 VARIETIES.

Interest in collecting crystals and other minerals is increasing every year. Even a small display of a few colorful types can be an excellent focal point and an excellent profit center. We're offering a selection of the most colorful and popular of these so your customers can start, or add to their collections.

The stones have been cleaned, sorted and graded into uniform re-sale sizes.
